Experience

Francis has worked in sound since he was 17. Starting first as a live sound engineer, then music production and then into Film and TV location recording.

Since then he has worked on countless TVC's. Documentary titles like AACTA Award winning Hipsters and Amazon's upcoming AFL series. TV titles such as, Puberty Blues, Underbelly, A Place To Call Home, Doctor Doctor. Films, Rams, OtherLife, Not Suitable For Children, Killing Ground which he was nominated for Best Sound in a Feature Film at the 2017 AACTA Awards. He is also an avid musician and composer.
